CHICAGO, IL Feb 2007

Chicago, IL- ACCUspect Home Inspection Services, Inc., the leading residential home inspection company in the greater Chicago Land area, has been awarded with the 2006 Angie's List Super Service Award® Recipient. This award is given annually to companies that achieved and maintained a superior service rating on Angie's List (www.angieslist.com) throughout the year. There are more than 283,000 companies that have been put on Angie's List by consumers, and fewer than 5 percent of these companies are eligible for this recognition.

Companies cannot pay to be on the list, nor can they put themselves on the list. Angie's List currently has more than 500,000 members in 124 major cities across the U.S.

"For our clients to recommend us is the best recognition our company can receive," says Hy Naiditch president of ACCUspect Home Inspection Services, Inc.
